Ne - ver - more can we be a - part, your look has ta - ken my breath a - way.
An - swer to my prayers at last, and I must fo - llow my heart's de - sire.

Ne - ver - more can we be a - part, your look has ta - ken my breath a - way.
An - swer to my prayers at last, and I must fo - llow my heart's de - sire.

Hand - some sir, I'm a - larmed and faint. Heed my plea, I pray.
Hand - some sir, pri - thee tell me do, why should you choose me?

Hand - some sir, I'm a - larmed and faint. Heed my plea, I pray.
Hand - some sir, pri - thee tell me do, why should you choose me?

7

S Wait till mor - ning and show con - straint, lead me not a - stray.
Can a love like yours be true for e - ter - ni - ty?

A Wait till mor - ning and show con - straint, lead me not a - stray.
Can a love like yours be true for e - ter - ni - ty?

S You are the con-science to my wrong, you are the day when night is long, you are the ro-bin to my song, with you I be-long.

A You are the con-science to my wrong, you are the day when night is long, you are the ro-bin to my song, with you I be-long.

T

B

You are the con-science to, to my wrong, you are the day when night, night is long, you are the ro-bin to my song, with you I be-long.

11

S You are the rain-bow to my rain, you are the plea-sure to my pain, I vow to you that I'll re-main to see you a-gain.

A You are the rain-bow to my rain, you are the plea-sure to my pain, I vow to you that I'll re-main to see you a-gain.

T

B

You are the rain-bow to, to my rain, you are the plea-sure to, to my pain, I vow to you that I'll re-main to see you a-gain.
