Committee Goals for 2007

This season the Committee focussed on two main goals – increasing our player base, (particularly in the junior teams), and increasing our fundraising.

As a community Club, we believe that it is important to encourage young children to participate in team sports. Therefore we are pleased to have the foundation of a new sub-junior team, with three new FunNet players joining the Club. In addition, we were lucky to add another senior team to the club. This is great for our development also, as this year we had last years Tah's playing in A3, and the new senior team, Dynamites, playing in A2. What a great way to attract new players for the 2008 season.

Our second goal was to outfit the club in new club jackets. I have seen a lot of members with their jackets, and I must say they look fantastic. We owe a big thanks to Jacinta Irwin, who was instrumental in arranging the fundraising. She then organised the lists for the Netball Shop, so that you could order your jackets without a hassle.

Club Commitment & Club Person Awards.

The Club Commitment Award is presented to the Club Member (either a Player or Non Player) who best demonstrates exceptional commitment to Club activities. This year, the Club Commitment Award went to Simon Irwin. Simon stepped into the role of Treasurer for the club at the start of the season, and has been instrumental in helping the club build it's funds for the basis of the 2008 season. Well done, and thank you Simon.

The Club Person of the Year Award goes to the Club player who best demonstrates ongoing dedication to the Club and to the teams. This year the Club Person Award went to Catherine James. Catherine has been playing with the club since 2001, and has been in the role of Assistant Secretary since 2006. Cath has been a great support for the Secretary. Well done Cath, and keep up the great work!

To you all

I would like to thank all the parents and players for a wonderful season, and congratulate the teams who made it to the finals series. A special congratulation goes to the teams who made the Grand Final, and an extra mention to those who won. You have made your club proud, and we hope you have enjoyed yourself in 2007. To those teams who did not make it to the finals, don't be disappointed, hopefully you had fun during the competition. Keep your heads up, there's always next year! A special mention to my wonderful team of committee members: Nick, Simon, Ian, Cath, Jackie and Rachel. Without you all, our club would not exist. You have done a wonderful job this year, and I hope to see you, and a few new faces, in the 2008 season. Have a wonderful off season everyone and I hope to see you all back next year bringing some new faces with you!!!
