Uniforms

In 2007, the Club trialed a new one piece dress uniform for seniors. It proved very popular, and many of the other teams have decided to use it. However, we know that children grow out of their uniforms very quickly, so we have left the option of the two piece for the younger players - this gives them the option of getting bigger sized two piece uniforms from our second-hand stock.

Therefore, in 2009 we will leave it up to the teams to decide which uniform to wear – noting that the entire team must wear the same uniform (you cannot mix the two uniforms within the team). Should the team elect to buy the new dress uniform, then the Club committee will provide information about fundraising (should the team decide to do so) to help offset the cost of the uniform. The new dress is about \$115.

The Club has a small selection of pre-loved two-piece uniforms. Our uniform coordinator (Nicole Cadogan) may be able to help you.

Additionally - if you have a uniform that you do not need, then please contact Nicole – she may be able to sell it for you!

We Need a Secretary!

Due to work commitments, Nick will not be able to continue as Secretary in 2009. Therefore we need someone to take the reins of this vital job. Nick is happy to continue as Assistant, but we need a replacement Secretary this year. Are you up to the task? If so, please call or email Nicole.

Club Grading

We will not be grading teams within the Club this year. The Coaching Committee will nominate the team compositions – these will be ratified by the Club Committee by mid February.

NNA Grading

Newcastle Netball Association have advised that they will continue with the computer based grading in 2009. They are confident that the "bugs" of 2008 have been ironed out
