

Alex the Albatross

Alex the Albatross
Flies up in the sky
Watches out for fishing boats
As he goes gliding by

Chorus

Alex the Albatross
Flies up where the sky is blue
Spread your wings come fly with me
You can be an albatross too

Alex the Albatross
Flies far out to sea
Perches on the sail boat mast
That's where he likes to be (Chorus)

Alex the Albatross
Dives down in the sea
Catches an enormous squid
That's what he likes for tea (Chorus)
