

(There's Gonna Be A) Battle

- | | |
|--|---|
| 1. There's gonna be a battle
Way up on the high seas
There's gonna be a battle
Wont you come join me
Get yourself together
Get ready everyone
We'll fight those pirates
Yes we will
Fight 'til the battles won | 2. There's gonna be a battle
Far out on the ocean
Gonna be a battle
A really big commotion
Get yourself together
Come & fight with me
We'll keep the treasure
Yes we will
Just you wait and see |
|--|---|

You've got to, Put up your dukes
Put your best foot forward
Fighting for the treasure
With your pirate sword
Ready, set, go, 1, 2, 3
Soon they'll all be history

There's gonna be a battle
Out on the horizon
Gonna be a battle
One to keep your eyes on
Get yourself together
Come & join my crew
Listen while I tell you
Everything you've gotta do
