

Big Surprise - Jennifer Hopson copyright 2001

1. Inside a bottle
That I rescued from the sea
A special secret message
Lay waiting for me
I pulled it out and oh!
What a fabulous surprise
A pirate's treasure map
Right in front of my eyes

2. I followed the directions
As I sailed out on the sea
Hope there were no pirate ships
Searching for me
I cruised along the seashore
Kept looking left and right
Hoping that a landmark
Would soon be in sight

Right before my eyes
A fabulous surprise Oh Yeah!
Can't believe it's true
Right out of the blue Oh Yeah!

3. Soon I had discovered
A palm tree in the sand
I carefully held
the pirate map
Out in my hand
Was this the secret island
That I'd been searching for
I double checked the
treasure map
Just to be sure

4. I stepped foot on the island
And I gave a mighty roar
The treasure chest
was hidden here
And that was for sure
I counted out the footsteps
Walked up and down the land
Soon I would be
digging deep
Down in the sand
