

Five Little Fishies

Five little fishies, swimming all around the sea
Swim swim swimming, swim swim diddly dee
One went to the shore (see ya later)
Now there's only four
Four little fishies, swimming all around the sea

Four little fishies, swimming all around the sea
Swim swim swimming, swim swim diddly dee
One went home for tea (I'm hungry)
Now there's only three
Three little fishies, swimming all around the sea

Three little fishies, swimming all around the sea
Swim swim swimming, swim swim diddly dee
One fish caught the flu (achoo)
Now there's only two
Two little fishies, swimming all around the sea

Two little fishies, swimming all around the sea
Swim swim swimming, swim swim diddly dee
One went for a run (bye, bye)
Now there's only one
One little fishies, swimming all around the sea

One little fishy, swimming all around the sea
Feeling very lonely, wonder where his friends might be
He said "come let's play"
And they all came back to stay (Yay!)
Five little fishies, swimming all around the sea

Five little fishies, swimming all around the sea
Swim swim swimming, swim swim diddly dee
They had so much fun, chasing everyone
Five little fishies, swimming all around the sea
Five little fishies, swimming all around the sea
Five little fishies, swimming all around the sea
