

Going To The Beach

spoken: It's a beautiful sunny summers day here in Salamanca,
we're expecting a top temperature of 29 degrees.

"hey, gotcha bucket" yeah!, "gotcha spade" yeah!

"we're going to the beach"

Chorus

Going to the beach

Going out to have some fun

Swimmin', surfin', rollin', splashin'

Playin' in the Sun

Well I've got my bathers on

My hat and sunscreen woo!

A pair of glasses on my eyes

I hope that you have too (Chorus)

I dip my toes into the surf

Pretend my hands a fin

I creep in right up to my knees

And then I jump right in! (Chorus)

I splash about just like a fish

And swim around the sea

Stay close to where the lifeguards are

'cause they look after me (Chorus)

I put my flippers on my feet

Goggles on my eyes

I peer right down beneath the waves

Oh what a big surprise! (Chorus)
