

I Like To Swim

Some people like to rock n roll
Others like dancing on their toes
Some like to sing (la, la, la, la, la)
You know it's true
I'll tell you what I like to do

Chorus

I like to swim, I like to swim
Like a fish down in the sea
I like to swim, I like to swim
Come along swim with me
I like to dive down in the ocean
Searchin' all around the sea
Pretend that I'm a dolphin
Come along and swim with me
(Come along 'n' swim with me)

Some people like to fly in planes
Others like travellin' round in trains
Some race their cars
You know it's true
I'll tell you what I like to do (Chorus)

Some people like to play guitar
Others like being a rock star (yeah, yeah, yeah)
Some play the drums
You know it's true
I'll tell you what I like to do (Chorus)
