

Mermaid Lullaby

Mermaid, swimming in ocean
Mermaid, underneath the sea
Close your eyes
Soon you will be dreaming
Close your eyes
Soon she will be there (Repeat)

Under the sea, is where she'll be
Just waiting for you as you dream
Under the waves, inside the caves
She will be waiting there for you

Mermaid, swimming in ocean
Mermaid, underneath the sea
Close your eyes
Soon you will be dreaming
Close your eyes
Soon she will be there

Close your eyes
Soon you will be dreaming
Close your eyes
Soon she will be there
Soon she will be there
