

Pirate Adventure

Sailing out to sea
Off to find some treasure
Diamonds, jewels and pearls
Come and be a pirate with me

Put on your pirate suit
Get your sword and hat
A patch across your eye
Watch out for your back
Climb ashore and look around
For where it's marked with "x"
Dig down deep, to find the treasure chest

(ah me lads, so you be lookin' for treasure, well.....
hop in the boat, 'eave the anchor, let's go find it!)

Sailing out to sea
Off to find a shipwreck
Medallions made of gold
Come and be a pirate with me

Put on your pirate suit
Get your sword and hat
A patch across your eye
Watch out for your back
Climb ashore and look around
Walk the plank, up to the edge
And dive into the sea, that is where
The treasure chest will be

'eave up the anchor, set sail
