

The Clapping Song

Clap your hands , clap them high (*right up high*)
Clap them low (*right down low*)
Clap them in the middle
Clap your hands, clap them now
Clap, Clap, Clap, Clap, Clapping
Show me how

Wave your hands , wave them high (*right up high*)
Wave them low (*right down low*)
Wave them in the middle
Wave your hands, wave them now
Wave, Wave, Wave, Wave, Waving
Show me how

Shake your hands, shake them high (*right up high*)
Shake them low (*right down low*)
Shake them in the middle
Shake your hands, shake them now
Shake, Shake, Shake, Shake, Shaking
Show me how

Roll your hands, roll them high (*right up high*)
Roll them low (*right down low*)
Roll them in the middle
Roll your hands, roll them now
Roll, Roll, Roll, Roll, Rolling
Show me how

Clapping, waving, shaking, rolling now (*right up high*)
Clapping, waving, shaking, rolling now (*right down low*)
Clapping, waving, shaking, rolling now
