

Whale Of A Tale

Wouldn't you like
To sail on a whale
Splashing all around the sea
Swimming along
Singing a song
As hap-hap-happy can be

Deep sea diving
Underneath the waves
Excited, delighted
You'll be glad you came

It will be so much fun
Cruising in the summer sun
Swimming in the sea
Swimming you and me
It will be so much fun
Come now everyone
You can tell the tale
That you sailed on a whale with me

Wouldn't you like
To sail on a whale
Travel where mysteries abound
Holding on tight
With all of your might
Out where treasure is found
