

Wobble Like A Jellyfish

Can you swim like a shark, deep down in the sea
Crawl like a crab, bending at the knees
Can you dart like a goldfish
Swimming in a goldfish bowl

Can you squirt like an urchin, sitting in on a rock
Blow out fishy bubbles, that will never stop
Can you crawl like a crayfish
Down in the deep blue sea

Chorus

Can you wobble, wobble, wobble like this
Wobble like a jellyfish
Wobble, wobble, wobble, wobble down in the sea
Wobble, wobble like this, wobble like a jellyfish
Wobble, wobble, wobble
Wobble, wobble, wobble with me

Can you swim like a stingray, gliding through the reef
Be a barracuda, showing off your teeth
Can you hide like the flounder
And wiggle down in the sand

Can you slither like an eel, on the ocean floor
Dance like a sea horse, floating near the shore
Swirl like the seaweed
Swaying underneath the sea (Chorus)

Can you wobble? can you wobble?
Can you wobble? let's see you wobble

Swim like a shark, *wobble, wobble, wobble*
Slither like an eel, *wobble, wobble, wobble*
Crawl like a crab, *wobble, wobble, wobble*
Swim like a fish, *wobble, wobble, wobble*
