

Found It All

I have found the treasure
I've got it all
Here in my hand
I have found the treasure
Discovered gold
Deep in the sand

Bags of silver, sacks of gold
Shiny diamond rings
Precious jewels, deep sea pearls
A million other things

I have found the treasure
I've got it all
Here in my hand
I found it all
I found it all
I found it all

Rubies on a golden crown
Worn by foreign kings
Plundered from a royal ship
West of the caribbean
