

# Yo Ho Yo Ho

1. The captain  
and his mighty crew  
Were heading straight for me  
Rockin' & a rollin'  
On the waves out on the sea

2. They were getting nasty now  
And desperate to reclaim  
The gold the silver  
and the jewels  
So they cried out again

Give us back our treasure chest  
The mighty pirates roared  
You'll never get away with this  
The captain yelled once more

Yo Ho Yo Ho  
We want the gold we want the jewels  
Yo Ho Yo Ho  
You took the chest you broke the rules  
Yo Ho Yo Ho  
The treasures' ours so give it up  
No No No No  
There's none for you, you're outa luck!

Yo Ho Yo Ho  
Give us back our treasure chest  
Yo Ho Yo Ho  
We wont give up we'll never rest  
No No No No  
If you are smart, you'll be gone  
No No No No  
If trouble's here, then bring it on!
